

Homeowners Association Fees

HOA fees are necessary to keep our community safe, clean and beautiful. This includes trash collection, maintenance of common areas and 24 hour security services.

HOA fees are \$120 and are due on the 1st of each month. Fees should be paid by cheque and should be made out to Treasure Cove Homeowners Association or TCHA. They can be placed in the drop box at the Security Office or mailed to PO Box EE15525.

Residents with outstanding balances of more than \$360 (or three months) will have their barcodes deactivated. Barcodes will only be reactivated at the end of each month once full payment is received. Residents with outstanding balances of more than \$720 (or 6 months) will have all security services suspended. Outstanding balances of more than \$1440 (1 year) will initiate legal action.

Please pay your HOA fees on time to avoid any inconvenience.
